### Application questions

There are three questions which you will need to complete. The maximum word count for each question is 200 words. The questions are:

1. We are looking to support the brightest and best individuals who will actively contribute to the development of their home nation in the future. Please describe any special attributes or accomplishments that you think make you deserving of a University of Essex-GREAT Scholarship 2023?

This could be any academic or extra-curricular achievements, as well as your reasons for applying to the scholarship programme and, why you want to study a subject related to climate change.

2. We are looking for scholars who will be great ambassadors for the University of Essex. Please give an example of when you have recently contributed to your community?

This could be your School or University, where you live, or any other community you feel a part of.

3. We would like to support students who have clear goals for their future. Please explain how studying your chosen programme at the University of Essex will help you to shape your plans after graduation?

Explain what has attracted you to study at the University of Essex, as well as outlining your ultimate career goals.

## Payment arrangements

- These scholarships will only be made available as a reduction on the tuition fee that is payable on registration at the University. Payment cannot be offset against a tuition fee deposit if one is required.
- If you intermit from your course, you may, at the discretion of the University, be entitled to a pro-rata payment of the remainder of your award on your return to study. Please contact the [Funding Team](#) for further information.

## Data Privacy Statement

The University of Essex takes confidentiality very seriously, your application form will only be seen by members of staff involved in processing your application. Information is kept in accordance with the General Data Protection Regulation (GDPR) as it applies in the UK, tailored by the Data Protection Act 2018. Personal data will be used solely for statistical purposes and electronic record keeping and may be made available to authorised University staff to allow statistical information to be analysed.

This data will not be passed to any other third party without your consent, except when the University is required to do so by law. Any formal enquiries concerning the use of data noted here should be addressed to the Head of Student Services.

## Resolution of disputes

Acceptance of this award constitutes acceptance of these terms and conditions. Registered students should contact the [Funding Team](#) in the first instance for guidance regarding this award. In cases not covered by the above terms and conditions, or where a student claims exceptional circumstances, or disputes a decision not to make payments due under an award, final appeals on decisions regarding eligibility must be made via the [Student Complaints process](#). The Academic Registrar or their nominee will review the case and his/her decision will be final.

*These terms and conditions apply to the University of Essex GREAT scholarships for academic year 2023-24. The University of Essex reserves the right to update these terms and conditions as necessary.*
