

ITESM “Doble Grado” Tuition Fee Discount 2022-23

Three scholarships of 50% of the tuition fees of the relevant course each are available for students holding an unconditional offer to study one of the Masters courses specified in the link/partnership agreement between the University of Essex and ITESM starting in October 2022 or in January 2023. The scholarships will be awarded based on academic merit.

Terms and Conditions

If you are an ITESM student applying to the “Doble Grado”, you could be eligible for a 50% tuition fee discount for your year of study at the University of Essex.

Eligibility

You must meet all of the following conditions:

- be classified as international student for fee purposes
- be entirely self-funding your studies
- hold an offer of admission to any of the Masters courses specified in the link/partnership agreement between the University of Essex and ITESM.

Applicants must meet our standard admission requirements (admission through a 3+-1 link agreement)

How to apply

If you meet all the eligibility criteria, you will automatically be considered for this award. You do not need to complete an application form. ITESM and the University of Essex will assess your eligibility based on the academic transcripts and documents that you submit with your application for your place at the University of Essex. No alternative supporting evidence will be accepted.

Selection process

All students who meet the eligibility criteria and hold an unconditional offer of study for a place at any of the Masters courses specified in the link/partnership agreement between the University of Essex and ITESM by the end of July 2022 will be included in the final selection.

A panel of member of staff of ITESM campus Monterrey will make the final selection using the information students provide on their original course application.

Scholarships will be awarded based on academic excellence only, and will be given to the three students with the highest CGPA. In the case of more than three students having the highest CGPA, the selection panel will also consider the marks obtained in those modules more relevant to the Masters course the students are admitted into.

Receipt of the scholarship is subject to applicants firmly accepting the offer of study, registering as students of the University of Essex for the 2022-23 academic year, and meeting all conditions of our offer. No alternative form of the scholarship is available and the award cannot be deferred to a later year from the one for which you are admitted.

Notification

Successful applicants will be informed through their confirmation letter, by end of September 2022, of any award to be offered.

Payment arrangements

This award will only be made available as a partial waiver on the tuition fee that is payable on registration at the University.

Resolution of disputes

Acceptance of this award constitutes acceptance of these terms and conditions. Registered students should contact the [Funding Team](#) in the first instance for guidance regarding this award. In cases not covered by the above terms and conditions, or where a student claims exceptional circumstances, or disputes a decision not to make payments due under an award, final appeals on decisions regarding eligibility must be made via the [Student Complaints process](#). The Academic Registrar or their nominee will review the case and their decision will be final.
