9. Booking for Graduation is divided into two phases: Phase 1 and Phase 2. The opening and closing dates for each phase of booking will be clearly communicated via email to all eligible students.

Phase 1 of booking

- 9.1. During Phase 1 of booking, students can confirm their place and purchase up to 2 Guest tickets, subject to availability.
- 9.2. If a student does not purchase their 2 Guest tickets when they book their own space, but subsequently wishes to do so, they may re-access the booking system and purchase up to 2 Guest tickets at any point prior to the closing of Phase 1 of booking, subject to availability.
- 9.3. During Phase 1 of booking, it is not possible to purchase more than a total of 2 Guest tickets.
- 9.4. Please note: **there is no automatic entitlement to two guest tickets per student in Phase 1. All tickets are sold on a first-come, first-served basis.**

Phase 2 of booking

- 9.5. Booking for Graduation will temporarily close as the system moves from Phase 1 into Phase 2 of booking, and ticket availability is reviewed.
- 9.6. Any Guest tickets that remain unsold from Phase 1 of booking will be made available for purchase by students eligible to attend Graduation. This means that, for ceremonies which are not sold out, it may be possible to purchase additional Guest tickets in Phase 2 of booking.
- 9.7. Please note: the release of additional Guest tickets in Phase 2 is entirely subject to availability, and availability will differ across ceremonies. It is likely that some ceremonies will sell out in Phase 1, and as such, additional Guest tickets may not become available in Phase 2.
- 9.8. Where tickets are available, they will be made available to purchase via the online Graduation Booking system. The availability of tickets for specific ceremonies will be advertised on the Graduation website when known, and the number of extra tickets that can be purchased will be limited per student.
10. All Guest tickets must be booked and paid for online. Once booking and any payment has been processed, a confirmation email will be sent to the external email address the student has registered with the University.
11. If the confirmation email has not been received within 2 working days, please contact the Graduation Office at: graduation@essex.ac.uk. If a confirmation email is not received this may mean that a student's place and/or Guest tickets for Graduation have not been successfully booked.
12. For ceremonies with capacity, it may be possible to purchase Guest tickets, or reception only tickets, on the day of the ceremony (prices to be confirmed). Please note that we cannot confirm the availability of any tickets for on the day sales in advance. Any available tickets for Guests to purchase on the day will be sold on a first-come, first-served basis.

13. Guests without tickets will not be permitted entry to the ceremony or reception, but may still attend campus on the day of Graduation. The ceremony will be screened live at various locations across Colchester campus. This facility is available free of charge for additional guests without tickets, including guests under the age of 5, to watch the ceremony.
