Dr Bike

Cycle Maintenance Service

Dr Bike offers free cycle safety checks and adjustments to Staff and Students at the Colchester Campus.

This service is available every Wednesday during term time and fortnightly throughout the holidays from 08:30am to 14:30.

Bikes will be serviced on a first come first served basis; it is advisable to arrive early.

All bikes must be collected by **14:30**.

Dr Bike cannot be responsible for any unclaimed bikes.

There will be charge for any new parts fitted.

A free bike health-check (known in the industry as a bicycle M-Check) includes minor adjustments to:

- Brakes
- Gears
- Tyre Inflation
- Lubrication of Chain

Additional Repair Services are available and associated costs must be paid on collection (cash only). Work will be undertaken with the prior consent of the person bringing the cycle. This includes:

- Puncture Repair
- Brake Block Replacement
- Cable Replacement
- Tube/Tyre Replacement
- Chain & Cassette Replacement
- Replacement Pedals & Grips
- Replacement Bottom Bracket.
